The Story:

Amanda turned out to be Check and had only been here for a week after deciding how long I was going to stay I was asked to pay and she left the room. On her return we started to kiss but not more than pecking we removed our clothes and Amanda went down for some OWO lots of sound but far too mechanical for me.

Got on bed and more owo still loads of sound but not too convincing did a bit of reverse oral on sweet shaven pussy then some sex doggy style.

I only ever see independent girls normally and Right from this start this didn't feel right to me I had seen web site and should have known better loads of web sites all same design have been popping up recently all same prices and good looking girls If I had listened to my brain instead of my balls I could have saved ?80 or spent it better else were still that life.

I have noticed that she is on holiday now and that a totally different girl has her picture on Amandas profile now with same name.....? need I say more !!!!!!!!!!!!!!!
