### The Premises:

Very nice apartment near Gloucester Road tube with winding staircase down to her room. Room was very clean & looked as if she added some personal touches

### The Lady:

Russian lady with cat like features. miaow. She was very confident & loved walking around naked. Had a great body but taller than the website (since removed) suggest.

### The Story:

it was crap. she had handed in her notice & was working until 4 July. Clearly demob happy. Sex was very stop start cos she was acting silly. She's says she will be back in April but best avoided. If Lana ever returns, though, I will be round to see that spunkgobbler like a shot. Agency are very friendly on phone though unlike some of the Oriental agencies.
