### The Premises:

Upstairs part of the house (downstairs also an escort working part of the house) two separate doorways. Front is a bit exposed, but they open the door quickly, plenty of easy parking. All safe enough, although I am not sure the locals can't guess what goes on!

Called and Sam sounded the best on offer. Offered a drink on arrival very friendly. Ask to wait. Bit of a delay.

### The Lady:

Sam came bounding in. Short blonde hair. Not the youngest maybe in her late 20's or early thirties. Very friendly and a wonderful bottom. And those breasts, just mmmmmmmmmmm. Navel piercings.

### The Story:

Had a chat on what I wanted, she didn't do all services, kissing never happened (but didn't try). No CIM, But OWO was fab. Went for the two cum service. She seemed in a hurry to get the first one out of the way, told her to slow down. First round over, sprayed all over those lovely tits. She loves them squeezed. Wonderful 69, taste of honey! After a nice chat she made a start to get the old fella up again for the second round. More OWO but finished went for straight sex, her on top. Overall not a PSE or really a GFE. However if you are looking for a friendly, petite blond bombshell, you could do a lot worse. If she slowed down a bit it would help.
