### The Premises:

Valentines, as described on here several times before - always clean and tidy. They're having work done on the place but the room was absolutely fine.

### The Lady:

Lovely. Around 5'7, described as a 'girl next door' and that's dead right. Very pretty, seems quite shy. Guess a size 12, boobs around 34b. Dark hair just below her shoulders, gorgeous eyes. Shaven. All in all very sexy...

### The Story:

Superb. I'd seen Suzie once before - but we worked out that was almost two years ago! I opted for the full girlfriend experience as I was feeling flush - and it was money well spent. Nice massage and when I turned over Suzie kissed me magnificently! We kissed, sucked and stroked each other and she even allowed me to give her a nice spanking... absolutely terrific!

I went down on her and she became incredibly wet before cumming... and then hungrily took my cock in her mouth. She gives incredible head and I had to stop her as I just had to fuck her... in the end I went for doggy and she moaned as I pulled her hair back and thrust deep inside her. Perfection.

There are cheaper places - with a tenner entrance fee and ?90 for the service, this is probably ?40 more than most of the indie girls around town. But I can't fault Suzie at all - utterly wonderful time, and I'll be back - very soon!!
