### The Premises:

part of an estate - not bad, not great. Flat was tidy.

### The Lady:

Very cute 19-20 yr old - lovely figure with a pert bum.

### The Story:

Not worth going! She's not Spanish as listed on the site, but Eastern European (Did not want to tell me from where). The fee was ?200 per hour with an extra ?50 for A levels (this option has since been removed from here profile!)

Waited outside for 10 minutes as she was sleeping....she plays an sly game - pretends she is very sweet and innocent, but in reality will try anything to get more money out of you. This included telling me her last punter offered her ?500 more for OWO (something that her site said she does), but she refused to do - she said A levels were DEFINITELY out of the question even though i'd paid ?50 more for that - eventually agreed to OWO for the extra ?50, but said if I wanted her to kiss/lick my balls thats another ?50, and CIM was another ?50 too! She spent most of the hour trying to get me to pay another ?250 to get her flatmate involved, as well as answering her phone, going to check on her flatmate.....I didn't even get to cum once!

Such a shame - she is cute, and if stopped the mercenary act she could do well, but as it stands....a definite waste of time.
