The Premises:

On the main road but somehow discreet. oldish inside with a typical 80's massage parlour decoration(mirrored ceiling,red walls wg pictures on the wall) and some well positioned mirrors so you can check if you are doing things right.

The Lady:

late 30, blonde midium built and a very good to chat to.

The Story:

Sarah is a good listener and very friendly.

Started with a mindeblowing OWO guy this gils can suck for England. An alternation of deep throat and tongue works just fantastic.

The the cover for some cowgirl to finish in doggy. She also provide A (?25 extra) didnt opte for it because my time was up. I will retourne for that.
