youngish girl (early twenties), several piercings, brown hair, cute.

The Story:

As a old regular at Ruby's, I'm always keen to try her newer girls alongside my regular girls. Today, Sam was busy so I took a chance on Haley. I'd seen conflicting reports on this girl and thought I'd make my own mind up. I'd gone prepared with plenty of cash (ideally to see Sam) but I thought I'd place it safe and test the water with a basic ?40 hand relief.

I'm so glad I didn't part with anything more. Haley said nothig, just sat on the bed and took hold of (still flaccid) cock and began soulessly wanking. No life, no smile. I even had to ask her to remove her bra and knickers. Now I know ?40 is the basic price at Ruby's but I at least expected to see her tits.

I quickly came (thank fuck) cleaned myself up and left hurriedly.

I've been a regular at Ruby's for a couple of years and they have always had the best girls (Sam, Debbie etc) but I have to say that if this had been my first visit here I would not have returned.

Avoid Haley, she's awful. Sorry.
