### The Premises:

VIP is easy to find. It is on the A59, the road leading from Junction 31 of the M6, on the right just before its junction with the A6. As you're approaching the T junction, you can see the glass building of Homebase facing you.

Parking is safe across the road behind the bakery.

Holly, the owner/receptionist at VIP, made me very welcome, and although we had never met before, we had a good chat whilst I was waiting. She and Macy have made VIP into a very nice 2-room parlour. They also have 2 waiting rooms for added privacy.

The rooms are well kept with good towels.

### The Lady:

Amy Chloe is late 20s, about 5 foot 6, but looks much taller in her high heels, medium length blonde hair, slim with 34B tits, and a beautiful cute face.

I've always been a big fan of Amy Chloe. So when I found out she was working in Preston, I knew it would be well worth the 40 minute journey from Manchester to go to see her at VIP.

### The Story:

After a chat and coffee with the lovely Holly, Amy Chloe appeared, looking beautiful, greeted me and whilst she freshened up, Holly took me to one of the upstairs rooms, showing me the shower.

Amy Chloe then joined me in the room?????

Where do I begin? How much detail should I go into?

We started with long lingering kisses, interspersed with fondling.

A session with Amy Chloe can then go different ways. She is very adaptable.

It can remain as pure GFE. Finally breaking away from kissing, she would then provide beautiful OWO, using her tongue very tenderly. I would always prefer the sex in missionary so that we can kiss.

But Amy Chloe can be very raunchy. She would happily climb on top of me, and do the riding.

She enjoys reverse O, and I am more than happy to spend time on her pussy with my tongue, fingers and her vibrator.

She can also be dominant and can provide a taunting tie and tease session.

She can also excel in a 2 girl, and certainly enjoys another girl's tongue on her pussy!

On this occasion, after the lengthy opening kissing, we broke off and, after a chat, I decided to opt for tie and tease, something we've never done together before. She made me put my pants back on, and then tied my hands by the bed. She then undressed, and taunted me with her lips, her tits and her pussy, whilst refusing to let me touch her, and taunting and humiliating me.

Eventually, I was released, and we reverted to GFE. She lay on her back submissively. There was no time for any reverse O, so we moved to sex in missionary until conclusion.

Then we had a chat, and a joint shower, before a kiss and a goodbye till next time.

Another wonderful trip to Preston.
