### The Story:

I am very much into oral and Ana was absolutely the right person I selected. She undressed me, and then started the most amazing blow jobs I have ever received. Plenty of eye contact, really deep throat and plenty of ball licking. She has this amazing movement of her fingers below the balls which drives you nuts. Very arousing and had to stop her several times or would have been done in the first 5 mins. RO for a while on her great shaven pussy and then onto some doggy and mish. However wanted to continue with the BJ so she went down again till I came into her mouth which put me into heaven

Lovely lady and had a good conversation with her after we finished. She did not seem to be in any hurry but my alibi was running out hence had to make a move. If you guys enjoy oral the Ana is the star and don't miss this opportunity.

Thanks Ana great 30 mins and enjoyed every minute of it
