The Story:

Jane is a young EE girl with a very nice body, lovely small breasts, nice size bottom and lovely smile. She is new to Escorting and the inexperienced showed, but she was very keen to ensure that I was happy and satisfied my requests with enthusiasm and a smile. I had a wonderful night with a very pleasant girl, with lots of chat, a few laughs, lots of kissing, and a lot of eye contact at the appropriate time. Treat her gently and with respect and you are sure to be rewarded. Treat her bad and you'll have me to deal with!

Taking into account her age and inexperience I still rate her at 9/10 and if like me you prefer a longer booking to spend time with a girl rather than just a hour of sex then I would definately recommend her.
