Just as the web site pic.

A gorgeous young lady with fair soft skin, red hair and curves in all the right places. Her accent is to die for. She'll make you melt.

### The Story:

An outstanding appointment. Lots of kissing and eye contact. Victoria has a wonderful oral technique, licking and sucking anything and everything she can get at. Treated to several positions, the lady is simple stunning. Her eagerness to please seemed boundless. The magnificent site of this gorgeous 24 yr old sat accross my will stay with me for a very lomng time. During the half time break converstaion was easy. Victoria is someone you will want to spend more time with, I know I do.
