### The Premises:

Her flat was in a very smart block indeed just off the Edgware Road. It was spotlessly clean and in a nice area. I felt totally safe

### The Lady:

Alexa is a young girl from Belarus, about 5' 6" tall. She has long blonde hair, a pretty face, pert jugs and - oh bliss! - the most gorgeous butt, very shapely and firm, extremely seductive both in and out of the tight jeans that I had asked her to wear.

### The Story:

Alexa speaks adequate English with a delightful accent. She is extremely welcoming and friendly, and she smiles a lot (almost as much as I did in her company). She kisses sweetly with plenty of tongue. BBBJ was outstanding, performed largely without hands. Reverse oral was very enjoyable and 69 even more so - oh, that bum, which richly deserved and received the closest possible attention. The finale in mish was immensely satisfying, as I gazed into her lovely young face. This was a magical hour with a very sweet and sexy girl. Alexa is excellent vfm, and I am already looking forward very eagerly to our next meeting.
