### The Premises:

Very clean safe and comfortable - love the shower and round bed.

### The Lady:

Attractive lady with a very trim figure and very fit.

### The Story:

Jenny was very willing to satisfy me. She undressed me and licked all the important parts. Then laid down to allow me to perform my spanish kiss. This got her very wet and shortly after she came over my tongue.

Then a covered blow job with lots of attention to my balls. Next she rode me getting my shaft deep inside . Finished off with a good session of doggy during which I came in the tight pussy.

Before the shower I gave some more attention to her pussy with my tongue.

All in all - a very good punt - a greta find Debbie
