Lovley girls, Katie is a dark skinned beauty with great tits, Isabel is very tall good looking with massive tits

The Story:

Only second time around so I was very nervous, never been with two girls before but after my time with these two I will be repeating the experience as soon as possible.

Started with a massage from Isabel, very nice and she works wonders with her massive tits. Katie soon joined us and then the real fun started, two lovely girls sucking my cock quickly followed by me and Isabel playing with Katie, wow what a fanny. Things went from good to even better, I gave Isabel's fanny a nice seeing to then doggy with Katie. Lots of eye contact kissing licking, sucking and fucking. The girls made we feel as if I was thirty years younger. I finished off by standing in front of these two delightful girls and Katie wanked me two climax coming over two pairs of lovely tits.

Thanks for a great time girls, made to feel like a king.
