The Premises:

Clean flat in a large house 5 minutes walk from Gloucester Road tube station. Safe area at any time of day.

The Lady:

Masha (aka Marina at various other agencies) is the girl in the pictures on the website. However, she is much chunkier in the flesh and has a bit of a tummy. Breasts are small, nipples hard. Pussy more or less completely shaved.

The Story:

Slightly cold Russian girl warmed up nicely through the visit. English not great but we managed well enough. Large bed was starkly covered with only a clean sheet and a single pillow. At the end of the session she changed the sheet - a first.

Took a quick shower and was supplied with a genuinely clean towel for a change. Masha wore heels as requested and black hold-ups with black lingerie.

I had a really excellent session with Masha, a sort of slow sexy passionate GFE. Kissing with tongues throughout the punt was highly erotic despite her slightly stale breath. Her lengthy OWO felt sensational and included ball sucking without being asked and excellent perineum work.

Reverse oral including rimming went down well with Masha and seemed to result in an orgasm for her.

Sex in a couple of positions was intense and passionate resulting in a most satisfying come for me.

Highly recommended. Probably won't return as I prefer more petite women.
