The Premises:

Debbie's well known and excellent establishment. Clean, friendly and discreet.

Very close to the railway station and back door provides a discrete entry to the establishment.

The Lady:

Lookup Blond Bombshell in the dictionary and you'll find Jenny's picture.

Experienced and very sexy lady with soft round tits and a nice bum and she the most horny lady I've ever had the pleasure to meet.

The Story:

Picture the next door neighbour of your dreams who just loves sex. She is intense and sexy, and her obvious enjoyment of what she does is a real turn on.

It started like a whirlwind lots of french while she stripped both of us in an instant and down to business the whole thing was a blur of killer blowjob, 69, every position you can think of, all accompanied by the soundtrack of Jenny moaning in her enjoyment.

Bottom line Jenny loves what she does and makes you feel like your the worlds greatest lover, will defenatly visit again.
