The Premises:

Well reported on basement flat near Earls Court station. Clean and well run. Given a drink on arrival which was a nice touch

The Lady:

The photos on the website do not do Sam justice. She is tanned, slim, leggy, blonde and young. What more can a man ask for?

The Story:

Sam did all that I asked for, starting with CBT and nipple clamps. Then poppers, anal play (full fist) and inserted one of the establishments larger toys in me. We finished in "69", her oral is superb and she clearly enjoys a nice licking. No clock watching here, we were in the room for around 40 mins but she did not rush me out. Very friendly girl.
