### The Premises:

Debbie's well known and excellent 5 star establishment. Clean, friendly and discreet.  
Very close to the railway station and back door provides a discrete entry to the establishment.

### The Lady:

Debbie is simply sex on legs, pretty face, 5'6, long brunette hair, large assets. Fabulous personality, very sexy, lots of laughing, wonderful green eyes with a naughty glint, charming, friendly, funny.  
If it's your first time she'll put you at ease in a second.

### The Story:

If you want an experience to remember ask Debbie for a fantasy be it raunchy nurse, sexy secretary (my favourite), corruptible copper or whatever you like, she is one sexy lady that deserves an oscar for her work and between us guys, it really turns her on and she makes sure you are too.  
Following the role play Kissing with tongues, snogging all leading to expert oral I teased her early on by bring her to the brink and then stopping. She promised to get her own back... and she did too. Lovely !! A thoroughly enjoyable, sexy and fun session before we fell into a giggling heap and enjoyed each other fully.  
All this followed by enjoyable friendly chatting makes for a real girl friend experience which I look forward to repeating soon.
