The Premises:

nice place easy to find, but the hot water was not working.

The Lady:

good looking nice slim body very small tits shaved and wearing nice little outfit. she told me she was 19 which i think is about right.

The Story:

Really grate session, Jane is very warm and friendly person.

Down to business stared with some owo which was done well without hands.

I gave her a good work out and i had lots of encouragement, i had her in about 4 different positions which was good fun.

she complimented me on my skills which is always nice and im sure she enjoyed herself.

Thanks Jane
