The Premises:

Very spacioius clean flat behind Staples in Central Milton Keynes. Clean and the maid was very friendly on the phone and helpful when I called to say I was running a bit late.

The Lady:

Wow! the pictures on the divine web site make her look stunning, but she is actually prettier in the flesh! Gorgeous eyes, lovely firm breasts, a fantastic bum and legs and a cracking personality. Knows how to push the right buttons and loves you to push her buttons back in return, making any time you spend with her absolute heaven if you treat her right.

The Story:

Carla walked into the room with a big smile on her face and sat on my lap and she started kising me all over straight away. Which was incredibly sexy! It was ages before we even discussed 'that bit'. Some wg's come in with their hands held out before even speaking to you. Carla really is a different class. Seems to really enjoy what she does, makes eye contact with you all the time, is genuinely friendly, is absolutely fantastic in the bedroom department and (as I may have mentioned before!!) has an absolutely fantastic body. I still can't believe it was real!

Thanks for a fantastic time Carla and see you again soon. Matt x x
