The Premises:

Very close to tube. Hallways were apparently being recarpeted. It looked a bit dingy to me. The place was OK. Spartan bedroom. Nice clean bathroom.

The Lady:

She looks pretty much like her website pictures, except possibly she is a few years older than billed. Great body though. Not an ounce of fat on her. Actually quite skinny, and small breasts. Pierced belly button. I think pretty attractive. Maybe 7.5/10.

The Story:

Like herculesfar (see review 21 Jan), I decided to try Vanessa (also known as Valentina on the Mayfair Escort website) due to her previous good reviews, and the fact she looked fit on the photos. I have to say my experience almost exactly mirrored herculesfar's.

Got in, she barely said a word - did not even kiss me on the cheek. Left me to strip off, came in and straight to BBBJ, which was quite average, although she went at it for nearly 15 mins. She got on top in reverse cowgirl, then we switched to mish. Kissed her on the neck but she was very keen not to let me anywhere near her lips ? so much so she put her hands behind her head and her elbows in front of her face. That's one I've never seen before.

Decided not to even bother to ask about A which it said on the site she offered. With a bit of work managed to come pounding her doggy, which was quite good as she has a great arse. At least she didn't try and push me out as soon as I started coming like some girls do.

Then she was keen to get me out, and did not stay the full 45.

I am in pretty good shape, very charming, nice to be with, fairly good looking. Can't be that much of a hardship to be with.

Maybe another ?off/tired? day, I don't know, but like herculesfar I have to say I would not recommend.
