The Premises:

Set in the restaurant strip in Bedford the place was fairly easy to find. Entered into a very professional looking reception area and was greeted by a very professional receptionist. Was lead to a waiting area (with football on Sky as well!) offered a range of drinks (beer, wine, coffee) and opted for an particularly tasty espresso. Within minutes I was introduced to the 2 available ladies one of which was Zara. She seemed genuinely interested in asking how I was and how shocking the weather was for August(pissing down rain outside). Lead to one of the rooms which was well presented and included a huge mirror and jacuzzi bath

The Lady:

Zara is about 22 with a very pretty welcoming face and one of her best features are her amazing 32EE completely natural breasts!! Great legs although she thinks they are a little chunky!!! They are definitely are not!! She is true GFE material and she has a couple of piercings which are amazing

The Story:

I went into what we did as that is between us however Zara was very chatty and seemed genuinely friendly and very easy to talk to. Great looks, great personality she really is the complete package. She was dressed in sexy undies, stockings and horny hi heels which and she looked to die for! Treat her well and she will treat you well too ;-). I think my bank manager may be having a word with me soon as I plan to see this lady a lot!!!
