The Premises:

as usual at this establishment clean and welcoming

The Lady:

Slim ,sulky ,long blonde hair

The Story:

Below par for VICTORIA HOUSE.I have been regular visitor here since opening and this was the worst .She really didn't want to know and she should take a look at herself to consider if she is doing the right thing.After a very poor massage and and "service" she had the gall to criticise me for the use of a towel and how I folded it .This establishment has a well deserved excellent reputation and i hope that this is only a temporary blip
