The Story:

Having been let down a number of times in the last 2 weeks found myself in rather dire need of a punt. Amelia is the only lady on the Silks site with a photo which linked to her "unmentionable site" page and having never been let down by anyone there decided to take a flyer.

Started with nice massage with talc, (bit too warm for oil I thought). Amelia was quite chatty and found she works as a fitness instructor down in London part time and fits in escorting around that both down there and in Cambridge. Onto the main action with nice uncovered oral from Amelia then down to some reciprocal oral from me. More oral from Amelia while I fingered her by now very damp pussy. Sex in both normal and reverse cowgirl and finally in doggy.

Overall had a good time with Amelia who is a pleasant girl and anyone that likes petite fit mid 20's girls will not be disappointed. Will probably see her again if she continues working at Silks which is normally on a Friday.
