The Premises:

Scorpio has been well documented previously. Suffice to say it is clean and well presented although the communal changing area is a little snug.

The Lady:

Late teens-early twenties. Shortish, light brown hair and a cheerful smile are complemented by a trim figure, perky breasts and a fine rear view complete with amusing tattoo adds up to a very attractive package.

The Story:

Festival time in Edinburgh is always trying so a long day at Scorpio is often required. Having already been entertained by the lovely Lindsey, (having just recovered from the news that Trisha has retired) I chose again, after a rest, from the fine selection available. Another great choice. Started with a firm and arousing massage followed by excellent oral technique and some energetic and multi-positioned fucking. Plenty of lustful kisses and after some cosy pillow talk. All round a fantastic GFE, if you are really lucky with girlfriends. Enjoyed it so much I went back later that week.
