The Premises:

Nice clean flat in quiet, secure area, Good instructions and easy to find.

The Lady:

Younger looking than photos which i think had been touched up, but still strikingly attractive, with fabulous slender and firm young body.

The Story:

Gabi opened door looking gorgeous in short skirt and vest top - with white underwear as i requested. She seemed nervous to begin with but warmed up after some nice FK. Began with good OWO (with hands) until i came but no CIM which was a shame. Took advantage of a shower before more oral and her stroking herself while i watched got me back in the mood. Sex in multiples positions, lovely and tight, was well performed with nice little moans at all the right times but whole experience was spoiled by being told (mid flow!) that my time was up 10 minutes early. Would go back and recommend as being worth a visit but take a watch.
