The Premises:

First time I've visited this parlour which is very clean and well-appointed. Room had large bed and TV, clean shower and towels. At the end of my visit the friendly receptionist showed me some of the other rooms which were equally good.

The Lady:

Described as being Portugese but more likely East European. Mid 20's dark hair olive skin great figure - a real stunner.

The Story:

Four girls available when I visited all in their 20's and all attractive. Chose Carol because she is drop dead gorgeous and the only one to do OWO (?10 extra).

The massage wasn't up to much to start with but got better with her rubbing her tits on my back, kissing my neck and ears, licking my balls and biting my bum.

The OWO was very good indeed with plenty of eye contact. Then on with the rubber and took her from behind and it wasn't long before I came.

All in all great sex with a great looking girl. Her English is not very good so don't expect much conversation but hell who cares?
