The Story:

This is the second time with Honey. The previous one, a week ago, made me feel well-come. I thought her passiveness was caused by her total lack of english & that she was new. I found it funny, so I decided to give her a second chance.

Totally wrong!!! I thought that now we have broken the ice, it would be better. I brought with me a russian-english dictionary to use it. Unfortunately, she wasn't in the mood & although I booked her for 1 hour, after an nightmare of 30' I left, without cumming. She was so unsensual, passive, bored, uninterested that she ruin my erection & mood.

Fortunately, the operator was kind & fair enough to charge me only for that 30'.

What a pity.
