The Lady:

Trisha or Patricia as she now likes to be known (had to put this in or I will get told off!) opened the door in very sexy underwear just as requested, perfectly covering her lovely curves. As reported many times she is a very pretty girl with a great smile and lovely big eyes but is in no way a BBW.

The Story:

Won?t go into too much detail but sex with Patricia (Pat from now on!) is a mind blowing experience. She knows all the right buttons to press. She is also extremely responsive to a bit of reverse O. Well I think I was doing something right judging by her reactions!

Pat aims to please and she definitely hits the target, literally. She is one very horny highly sexed lady. She can talk for Yorkshire but is such a pleasure to be with that this only added to my best punt EVER.

I will most certainly return (this girl could make you bankrupt). Treat her well guys she is a diamond. Can?t wait to see her again, after I have done my tongue exercises, eh Pat;-)
