The Premises:

Quite a squeeze for parking in the private car park and there were workmen decorating so was a bit embarrassing to have them around but a nice large place

The Lady:

Statuesque and gorgeous English girl who looks a lot like Nigella Lawson! Flawless marble skin and raven black hair with curves in all the right places.

The Story:

Ellie was immediately friendly and talkative. She instructed me to 'get them off!' so I stripped and asked if I could undress her which she kindly agreed to.

I sat next to her on the bed and she raised her long legs in the air so I could pull off the black fishnets that were wrapped around her creamy thighs. I then pulled off her panties to reveal her smooth shaved pink pussy. Next I unbuttoned her tight blouse whilst she looked at me with those gorgeous eyes. My reward was the sight of her heavy chest straining against her black bra. Freeing them from their constraint, they hung invitingly before me. I began sucking on her soft nipples whilst my hands roamed slowly around her smooth buttocks and thighs.

I asked Ellie to get on all fours. I knelt beside her on the bed as she did so and couldn't tear my eyes away from the creamy mound of her arse as it rose up invitingly.

I cupped her breasts with my left hand and slapped her arse with my right, enjoying the smooth pale flesh of her cheeks rippling to the tune of my hand. Wanting more I grabbed her ass with both hands and massaged her strongly, extending my reach from her arse to her smooth thighs, belly and tits.

Before fucking her I wanted oral, so I stood by the side of the bed and Ellie sat in front of me. She slipped a condom on and took my penis into the warmth of her mouth. She gave me a long slow blowjob. Sometimes she stopped and caressed my balls with her fingers whilst flicking her tongue under my shaft. I played with her tits whilst she sucked me and occasionally leaned over to grab her

gorgeous ass.

I didn't want to cum with oral as Ellied does not swallow, so I finished off by taking her head in my hands and slowly sliding my penis as far into her mouth as shw would allow. I like holding this position for a good while as it makes me feel at one with the woman beneath me.

Pulling my dripping penis from her mouth I asked Ellie to get on the bed on all fours once more. I felt like a stallion on heat put out to stud as I watched my mare present her arse to me for humping.

Approaching her from behind I grabbed her marble buttocks and slowly slid my shaft deep into her pussy. I humped this English rose with long slow strokes, slapping her creamy arse-cheeks all the while. Leaning over I rested on her back and cupped her soft tits with my hands as I pounded her buttocks more vigorously.

Having worked up a bit of a sweat I pulled out and asked Ellie to roll over with her legs spread. I was ready to cum, so stroked the smooth insides of her thighs before slipping my penis into her. I fucked her with long slow stroked and then raised myself up to look down at her gorgeous figure. I looked into Ellie's eyes as I ejaculated deep inside her pussy.

Spent, I collapsed on her chest and enjoyed the feel of her long legs wrapped around me.

Definitely worth a return visit!
