The Premises:

Hotel near Marble Arch. Upscale; perfectly safe. Nice shower facilities, nice big bed.

The Lady:

5'4", gorgeous blonde hair, nice slim body but with lovely large boobs.

However, her most striking feature are her amazing eyes; WOW!!! I still have that beautiful image in my head. Great body as well.

I didn't have the best of experiences with Maxes when I last used them (see my report on Lia - not her fault by the way), but this time they were great, so I'll be using them again.

The Story:

This girl is the tops. Really easy to talk to. Chilled out or raunchy, Estelle adapts to whatever the mood. I'm not so much into blondes (although this may not be very obvious based on the women I've seen in the past!) but Estelle is just the nicest, easiest going escort I've had the pleasure of meeting. Don't get me wrong, she LOVES sex (and so the bloody hell do I), so much so that I've seen her twice in the last week. The first occasion it was raunchy hardcore sex in every orifice. This time the sex was just as great, but we also chilled a little and chatted quite a bit. I left with a big smile on my face, but limping as much as last week.

Estelle, you could become an addiction, possibly more than Natalie of ATOC and Jana (who has sadly just retired) and so I may have to keep my distance for a while.

I'm also aching like crazy from all the hard thrusting you demanded!! That's why it took me nearly a week to go back for a return visit. I had to wear very loose fitting boxers for 2 days after our first session. I think I might need an ice-pack after this one!!!

Guys, she's fantastic so please treat her with the respect she deserves and you'll be rewarded 10 times over.
