The Premises:

Like a sauna - Cindy's room is opposite a set of busy offices - read comments to find out about her exhibitionist streak.

The Lady:

Very attractive blonde vixen. Partially shaved and lovely looking pussy - but not more than outweighed by disappointing service.

The Story:

Despite comments elsewhere, this girl either has an attitude problem or hates the job. She went straight for the condom, no OWO despite me asking nicely, no kissing, no anal - frankly nothing. She is very attractive but frankly I spent most of the time giving her a massage and looking at her tits. She is a bit aggressive - almost killing me by pushing me off the bed onto the floor! Also privacy is not a big thing for as I sat buttnaked on top of her giving her a massage when she drew the curtains so that the office workers could watch me whilst she was lying facedown. Any way felt like a waste of money and time.
