The Premises:

This lady is also known as Tara of Rotherham (Sheffield Scene) but in fact lives a few minutes drive outside the town. Main road location which I managed to drive past twice. Comfortable house and was made to feel very welcome.

The Lady:

Attractive lady in her mid-thirties; medium build with short dark hair. Fully shaved. Intelligent conversationalist.

The Story:

I especially liked the way Tara welcomed me. Not so much the cup of tea but more the unbuttoning/unzipping of my clothing and the black outfit she was wearing. Upstairs for GFE of kissing & cuddling with plenty of ultimate oral without. A very pleasant and likeable lady; fairly new to escort work - absolutely recommended.
