The Story:

I got the impression this girl offered the GFE but she does not. Probably partly my fault for not checking fully and reading between the lines. She quite quickly told me that she does not kiss and that oral would be covered. Gave me a boring massage for 15 mins then 10 mins of oral that was good and slowly sensual. I kept trying to make the activity a two way thing but she pushed me back on to the bed not really wanting any interaction. Sex in cowgirl for 10 mins was routine and frankly uninteresting. I had paid for an hour but as soon as I came she was up off the bed putting her clothes back on.

Elizabeth is basically a pleasant young lady, well mannered and working to pay her way through college as a mature student. Unfortunately she is not cut out for this work and needs to look at say Paige of Bristol's site and reviews here on punternet to discover what is required.
