The Premises:

Intimate Massage is renowned for its high standards of hospitality & cleanliness. Nothing lacking on this occasion.

The Lady:

Shannon is a short, cuddly little brunette with plump thighs and a quite superb pair of natural breasts. For their size, I don't think I've ever encountered anything rounder or firmer, and the nipples match. Her hair is straight, and quite long, and can be made to hang over them in a most erotic fashion. Shaved pubes, as one expects. Despite her name, she's of local manufacture, and it was a pleasure to make love in my own language.

The Story:

We began with kissing (tongue-to-tongue), carried on with fondling, stripping and a not-very-serious massage, then on to the main event, which I chose to enjoy with her on top (makes a lovely armful). She's very young, and very enthusiastic - for all that I'm well over three times her age. Altogether, a superb experience.
