The Lady:

Stunning model, for once i can say that a girl is actually better than her pics. When i arrived she was dressed very sexy, classy, high-heels and all the other things. A slim, young, fresh, beautiful girl. Her body is absolutely gorgeous.

The Story:

We got along quite well, a little conversation about this and that, some drink, many deep kisses and soon the atmosphere was hot enough to get naked. Was a pleasure to see her at work with her tongue, she

worked at first the shaft, then the balls and finally she just took it very well deep in her mouth, i was at the edge when i stopped her and i went between her legs where i've found a shaved, sweet-tasting fresh pussy. She was quite responsive there and also very wet. During sex she kissed me passionately and i was more than happy about that as she kisses beautifully. Also anal was good because of her small arse, i finished after just a few strokes of anal, too tight and too loud moaning to last longer. Usually i rather finish with oral but there i was, taking her anal in doggie, a beautiful young body, completely mine. Money well spent.
