The Story:

This punt took place at the beginning of August but i really had no time to sit and share my experience with you, anyway, Carmen wasn't so bad as described by previous FRs. She seemed to me quite new to the game, her oral was everage, she clearly wanted to get over with asap, got me hard and we had sex, at first i had the impression to have sex with a piece of wood (not very nice) then, after a while, she woke up and went with the act. I finished right there in mish as was time to cut my losses. Not the best punt in my life but i guess this job is not for everybody.
