The Premises:

Clean and tidy. Apparently she prefers her old place that was much larger but this was functional if small. Very classy area outside. Slightly difficult to hide but Susan was very helpful with directions.

The Lady:

Old cliché but pictures don't do her justice. Tits far bigger and better shaped in person. Thought she looked great in photos and was pleasantly surprised when she opened the door. Very trim and fit body with ass and tits to slather over! Hair and face a lot sexier too!

The Story:

Have had a few punts in the past but really surprised Cheryl does not have more reviews. Was fairly forthright in what she was going to do and didn't argue, especially when it produced toe curling results. Used her tongue to great effect all over my back and legs then to massage my prostate whilst playing. This woman has a touch which was just incredible. Didn't take me long to get to the edge after using her mouth for OWO with plenty of lube. Having a woman beg for you to CIM....woah! Then some very sensitive chat and then utmost effort for me to perform for round two within an hour which she succeeded admirably. Cheryl and Natalie from this agency are well worth a visit. Wonderful!
