The Premises:

Safe area. Detached house set well back from road. Discreet parking around back. Tried the back door as on previous visits but it was locked so I suspect that the front door is the more usual entrance.

Rooms clean and tidy. Could do with a dedicated shower in the rooms.

The Lady:

34C 5' 6" slim size 8 40+

Very attractive, brunette, small boobs and superb bum.

Certainly does not look her age and reminded me of Kym Ryder.

The Story:

I was in Telford on a Tuesday, and was hoping to see Jessica but she was having lunch and suggested that I try Zara.

I could see Zara's bottom in the kitchen, and when she turned around I was impressed.

So choice made, I followed that beautiful bum up the stairs for what turned out to be a very enjoyable "session"

Do's and don'ts explained from the outset, no fingers inside (shame) no 69 (makes her bite you) but there are extra's available for ?20 which are at her discretion, so she must have liked me a bit, as I was able to partake of them. (owo & kissing)

I won't go into a blow by blow account of exactly what happened, but Zara uses her job as a substitute for a boyfriend, and she likes to get as much pleasure out of the encounter as you do.

This makes it a much better experience and I can not recall having spent so much time giving reverse oral and being so carefully guided to ensure the desired result for this seriously horny lady.

I was a bit worried about running out of time so I eventually had to jump aboard and finished quickly in missionary, which seemed a little selfish considering the near GFE we had enjoyed up to then. I enjoyed the kissing, the foreplay, the oral both ways and of course the end result.

It was exactly like being with my girlfriend (only a lot more exciting), and I wouldn't hesitate to see her again.

Trouble is she works the same day as Jessica, who I also quite like, I wonder if they do a two girl ?
