The Premises:

Has been described in earlier reports, discrete entrance clean with round bed with large mirrors cozy atmosphere with friendly receptionist offering a drink while you wait in the room.

The Lady:

Very pretty, much beautiful than the picture in the website, young in her late 20's & blond with angelina jolie lips and sharp features with lovely eyes and wonderful vital statistics.

The Story:

As I waited in the room within 5 mins she arrived with a glowing smile and hugs & kisses, collected the money. Started with french kissing and slow stripping until both of us were nude and then went on for a wonderful shower which was amazing as we had a bubbly bath together in a small cubicle. Back in the bed and full body oil massage which was very relaxing and then for a reverse oral and then for the finale where we had in front of the mirror. I never felt rushed and it was one of the best experience. Keep it up Nina.
