### The Premises:

As previous FR's have said - easy to find, plenty of parking and quite safe. The place is a bit tatty but on a par with most parlours.

### The Lady:

Ellie is a late 30's early 40's bubbly, quite attractive chatty blond. Medium build, 5' 10" and very busty. Not a bad figure, a sexy look about her and easy to talk too.

### The Story:

Ellie is a very attractive woman and offers just about everything BUT all at a price; a price I'd think twice about paying again. Not a bad punt but ?92 for a half hour is pushing it too far - anal would have been another ?20! For my money it was ?12 on the door and the rest to Ellie - oral was with, covered sex, reverse oral and she put on a show with a dildo which she then used on me. As parlours go there are far better ones at much less cash so whilst I can just recommend it I doubt I'll go there again.
