Her hotel, well known central location.

The Lady:

Petite blonde lady in mid-late 20s. Should be noted that she is in my view significantly more attractive in the flesh than the website photos suggest. Very nice body.

The Story:

An excellent experience. She is exceptionally sexual and if you were looking for a full on punt then in all honesty I have not had better. Only drawback was that A was not available at the time of visit (though I understand that it usually is an option). Excellent oral (including face fucking) and rimming. Spanking is on offer and she likes being held down during sex - she can be quite submissive which was a turn on. Very responsive and eager to please - poppers offered to good effect. Appreciate that this may not be to everyone's taste, but I would highly recommend Estelle.
