The Premises:

H.O. the best by far in the area- see other reports.

One small criticism, the girls are not arriving on time, this puts all appointments out for the lady who is late; & ?I caught the wrong train? as an excuse?

Luckily for me Melissa was not late.

The Lady:

Very much as the web site, but nearer size 12 than 10.

Great smile, good attitude, nice firm boobs, lovely bum, tight pussy.

The Story:

Was joined in the room by Melissa, who was wearing the red/black number she is wearing on her photo page.

Skipped the massage, went straight into a mutual body exploration in a standing position; I slowly undressed Melissa, who then went down on her knees to give me slow, deep OWO, this was mind blowing, she is a master at this.

Onto the bed for lots more oral, during which she made eye contact on many occasions, her technique, for me, is the best.

There was fondling, exploring, cuddling, a real GFE

Full sex was awesome, in every position.

But what makes Melissa so very, very good, is that she makes you feel very special.

This is a real find if you are looking for a GFE with a young, vibrant, man pleasing, lady; who just happens to give one, if not the best, BJ I have ever had!
