The Premises:

Melissa's is the usual clean enough 2 bed knocking shop up a small lane off of the main rd in Kingswood. Fairly discrete and safe enough.

The Lady:

Young blonde about 25 years old and quite pretty, this place is famous for some of the Bristol mingers but occasionally has some surprises. This being one of them she has a lovely bum very nice tits and a tight tunnel of love.

The Story:

Started with usual back massage and body to body rub then turned over etc...I offered her a massage to try to lengthen the punt and gave her a good rub all over, whilst doing this she slipped a condom on and proceeded to suck me while I stood over her and massaged her some more.

Then into doggy where she likes having her clit rubbed and tits squeezed for a while until I could go no further and had a great climax in a nice tight hole.
