The Premises:

Central london hotel, very discreet, clean, big bed, great room, lots of mirrors.

The Lady:

Estelle is a gorgeous pocket rocket, I guess, mid to late 20's. Very petite and not an ounce of fat!

The Story:

I thought I was fit but this young lady just wants to fuck you senseless and boy can she fuck! Unbelievable! She likes to be fucked hard in any position. She let me fist her which she loved (a first for me and an awesome sight!), she loves rimming, kissing, deep throating, being held down and pounded deep and hard. I staggered out of the room a bit jaded but fuck me what an experience!

I must say that the web pics for her are very misleading. A pretty face does wonders for me and she really is a very pretty little thing with a minx of a smile. Check her out! If she doesn't wear you out with the experience of a lifetime, I guarantee you'll be back for more!
