The Premises:

Situated on main road with entrance next to a couple of take aways. No rear entrance but not a great problem. Clean and tidy inside with good use of mirrors in the nicely decorated rooms.

The Lady:

Very attractive girl with long blonde hair and a gorgeous figure. Nice natural breasts, shaved with a lovely firm arse!

The Story:

Arrived for my booking ten minutes early and was kept entertained by the receptionist who was very friendly and chatty.

Jamie was running a few minutes late so I had to wait a short while but all I can say is that she was worth the wait!!

After having a quick shower in the room, Jamie came in after a couple of minutes and offered me a massage to begin with, which was very pleasant. I won't go into the full details of the next half hour except to say that I couldn't fault Jamie on anything that she did. She was a very friendly and genuine girl who was certainly fun to be with, so much so that I parted with some extra cash to show my appreciation!

On the way out, Jamie walked me to the door and gave me one last kiss before parting which finished off what was a fantastic visit. This was only the fourth girl that I've visited but she's the first one who I will definately come back and see - thanks Jamie xx
