The Story:

Was really looking forward all day to meeting Sweety, things got off to a bad start a the buzzer didn't work, followed by a moody reception, once the money was handed over, even chocolates(the expensive kind) and a good bottle of white wine did not help!(I wish I had taken them home to my mum!)

This girl must really hate her job, no small talk and no chit chat, owo was breif and not at all as wet and deep as I like it, during mish I noticed she smell a bit of body odour coming from under her arms, this was horrible it was not me as I was forced to shower when I came in, despite always showering before a punt.

Sweety was not the same girl I read about, and again the agency is just interested in your hard earned cash, well they have lost me as a customer despite some good times in the past, I guess its only when you have had a problem, then you know how good an agency can be, ?150 is a hell of a lot of money to me, I am not sure about you though? Stay away lads this one hates her job and more than likely you as well!
