The Premises:

Clean house on a busy road, newly decorated, entrance from a private backyard.

The Lady:

Mid 30s, blonde, quite tall, curvy, soft and busty, a deep tan which makes her look very sexy, attractive and chatty. The only minus is the big scar on her stomach.

The Story:

She used to work in Crystal Suite a while ago and I've been seeing her quite regularly since then. She is perfect for those who like being controlled by a big soft girl. Lots of kissing. Licked her pussy for quite a while, her clit got swollen, she put her legs over my shoulders, squeezed my head with her soft thighs and came in my mouth. Mind-blowing pleasure! She then gave me a fantastic blow job, very gentle and sexy. I was about to cum and asked her to have sex with her on top and she did. She kept squeezing and twisting my nipples while she rode me. A mixture of pleasure and pain! It wasn't too long until I had the most unforgettable orgasm. She then wiped my dick with a wet tissue which almost made me cum second time. I left exhausted and very-very satisfied.
