The Lady:

what a stunner, shorter hair than in her pictures. nice trim body, pert little tits, nice pussy with nice looking flaps.

The Story:

went to see faye on the basis of the last reports on her. i wanted to give her sweet pussy a good licking but she wasn't having any of it. a short massage followed by a long cock sucking (with) left me on the point... at this point i usualy go down on her and give her a good licking and allow myself to recoup a little. but she was having none...she straddled me cowgirl and pumped away until i shot my muck. I wasn't even asked initially what services i wanted she just got on with it. Now although i got what i paid for and the end result was what i went in for the whole experience left me feeling a little cheated...it didn't go the way i planned it. so i won't be seeing faye again, i'll chuck my ?62 at another girls feet.
