### The Lady:

Absolutely gorgeous - head to toe. Face was as in the pictures, different figure though. She's now far more voluptuous (perfect breasts, firm bum, long legs). She looks far better in the flesh.

To top it all off, she was wearing a very stylish & sexy outfit.

### The Story:

On opening the door (on time), I was in complete awe of Annalise. I was worried that she'd be a little cold and not particularly chatty from her photos, but on meeting her in the flesh, all of my prejudices were blown away. She was warm, friendly and very outgoing. Conversation was flowing at about the same speed as the wine!

I won't go into detail, but the start of the appointment set the mood for the rest of the night. 'Twas the most fun hotel stay I've ever had...
